Carrier: Gulf Coast WC Fund | Signed: T. Broussard | Date: February 28, 2026

4. Safety Incident Summary

Year	Hours Worked	Recordables	TRIR	DART	Lost Time Cases	Fatalities
2025	148,000	3	4.05	2.03	1	0
2024	134,000	4	5.97 (incl. 1 LTC)	2.99	2	0
2023	128,000	3	4.69	2.34	1	0

NOTE: 2024 statistics reflect a difficult year with two lost-time incidents. Corrective actions implemented Q1 2025 have shown improvement.

5. OSHA Citation History

Year	Type	Standard	Description	Status
2025	Serious	1910.147	LOTO procedure not followed during maintenance	OPEN
2023	Other-than-Serious	1926.501	Fall protection documentation gap	CLOSED

WARNING: One serious citation currently open. Corrective action plan in progress.

6. Training Records

Employee	OSHA	H2S	Confined Space	LOTO	Respirator	Status
Carl Fontenot	OSHA 10	Current	Current	EXPIRED 09/2025	Current	LOTO expired
Maria Vasquez	OSHA 10	Current	N/A	Current	N/A	Current

Employee	OSHA	H2S	Confined Space	LOTO	Respirator	Status
Eddie Broussard	OSHA 10	Current	EXPIRED 11/2025	Current	N/A	CS expired

Note: Expired certifications scheduled for renewal April 2026.

7. Substance Abuse Program

Coastal Fabrication maintains a written substance abuse policy. Full program documentation available upon request.

8. Insurance

Coverage	Limit	Status
General Liability	\$2,000,000	Current — below typical refinery requirement
Auto Liability	\$1,000,000	Current
Workers Compensation	Statutory	Current
Umbrella Liability	\$3,000,000	Current — below typical requirement

9. Evaluation Summary

Category	Max Points	Score	Notes
OSHA Statistics	20	4	TRIR 3-4x industry avg; improving trend
EMR	15	3	1.08 — above threshold all 3 years
Safety Manual Quality	15	9	Basic manual; some gaps
Training Systems	15	7	Expired certifications present
Citation History	10	4	Open serious citation
Drug & Alcohol	10	5	Policy only — no program details
Supervisor Experience	10	6	Limited refinery experience

Category	Max Points	Score	Notes
Environmental	5	4	No violations documented

OVERALL RESULT: CONDITIONAL — Remediation required on citations and training before full approval.
